Sir:

I appreciate the time given to me in the interview on March 15, 2006 with patent
examiners Igor Borissov and John Hayes. I have tried to write the revised
claims in the format that was suggested during this interview. In accordance
with my understanding, I have dropped all of the earlier claims and replaced
them with the revised claims in a new form to avoid the restriction requirements.
Please let me know if these claims are now in a condition for allowance.

Thank you,

Charles E Roos
